

January 2020 : Explore the 400s!

The 400s Class is called “Languages” and it includes dictionaries in different languages as well as information on the alphabet, grammar, and spelling.

400s: Languages

Activities

Craft – Pick a word or words and turn it into an illustration showing its definition! Take a photo of the completed picture and share it with the librarians through [Wandoo](#) or bring it to the library to show us! Go to page 2 for some ideas.

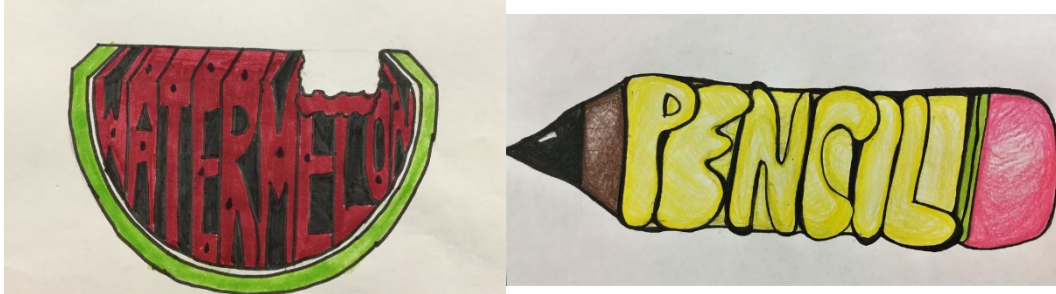

Write – Write an acrostic poem using a word you found in the dictionary! When you write an acrostic poem, the first letter of each line spells out a word. Take a photo of the completed poem and share it with the librarians through [Wandoo](#) or bring it to the library to show us!

Do – Watch a movie, television show, or youtube video in a language other than your native language! Or watch something with foreign language subtitles on.

Worksheet – Complete the crossword worksheet on page 3! Take a photo of the completed picture and share it with the librarians through [Wandoo](#) or bring it to the library to show us!

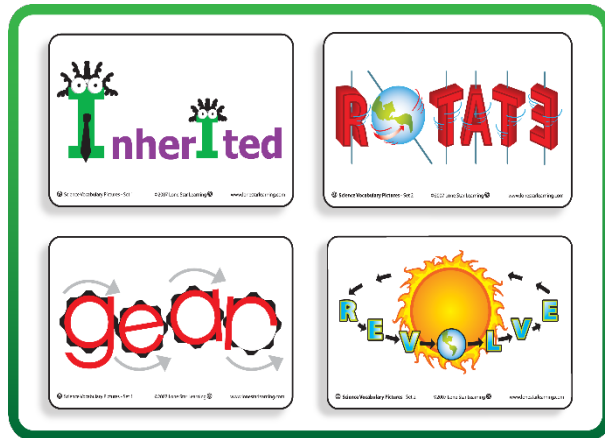

Bonus Challenge: Read a fiction book!
